

EXECUTIVE DIRECTOR

Santa Maria Senior Citizens Home Inc., a 147-bed Catholic long-term care facility. Santa Maria is looking to fill the position of Executive Director. Reporting to the Emmanuel Health CEO, the Executive Director is accountable for the day-to-day leadership of this mission-driven organization.

Santa Maria is an organization that recognizes that Mission, Quality and Stewardship are intertwined in the delivery of excellent health services. Santa Maria is transitioning from a local Board of Directors, and uniting with a province wide group of 12 Catholic acute and long-term care facilities under the governance of Emmanuel Health.

The successful candidate will have proven ability to integrate mission and core values into all aspects of health delivery, strategic planning and leadership; achieve outcomes congruent with stated values; champion holistic care with a special emphasis on spiritual and ethical care; understand, support and work independently; establish collaborative, positive relationships and prudently manage available resources.

A combination of relevant educational preparation and administrative experience and a demonstrated track record of working independently and achieving desired outcomes are required. Senior experience in a broad executive role and experience working collaboratively with health care partners is essential. The successful candidate shall have a proven track record of successfully moving forward positive internal cultural change/external community relations in an 'ever changing' environment

If you possess vision, leadership, enthusiasm, commitment and an appropriate skill set and embrace challenge and opportunity we invite your candidacy.
