

Director of Seniors' Health /Administrator Hogarth Riverview Manor

St. Joseph's Care Group is an established leader in client-centred health care in Thunder Bay, Ontario. We've been around for over 130 years and we continue to grow with the recent expansion of Hogarth Riverview Manor long-term care home. This is an exciting time to join the St. Joseph's Care Group Seniors' Health Team.

We are seeking a **Director of Seniors' Health / Administrator** to provide leadership and oversight of Hogarth Riverview Manor (HRM), which includes the Regional Behavioural Health Services. Under the direction of the Vice President, Seniors' Health, this position is responsible for the overall management of the HRM; for implementing relevant initiatives that advance the strategic priorities of SJCG; developing and implementing annual quality improvement plans; and fostering an interprofessional and collaborative team approach to service planning, delivery, budgeting, and managing fiscal and human resources.

The Director of Seniors' Health / Administrator plays an integral role in collaborating with local and provincial health care partners toward the development of integrated health service delivery that ensures smooth transitions for all people moving between levels of care. The position also collaborates with the medical staff providing care within the portfolio, ensuring open dialogue and medical staff input into strategic initiatives, quality improvement and service planning.

Qualifications:

- Advanced educational and/or professional qualifications (Masters degree in management preferred)
- Certificate in long-term care administration
- Several years managerial experience in a health or social service sector
- Proven experience in progressively more responsible leadership roles, gained within comparable complex organizations
- Demonstrated knowledge of the *Long-Term Care Homes Act* and its Regulation, relevant acts and legislation, current trends, issues and initiatives in long-term care
- Demonstrated leadership and communications skills
- Excellent planning and relationship management skills
- Competent within the meaning of the *Occupational Health and Safety Act*

Assets:

- Bachelor of Science Nursing with current unrestricted certificate of competency with the College of Nurses of Ontario an asset
- Direct experience working within a long-term care setting would be an asset

The position will remain open until filled. Qualified candidates are invited to apply through our online recruitment portal: <https://recruitment.sjcg.net/eRecruit/Default.aspx>

This position requires the submission and acceptance of a Police Vulnerable Sector Check that has been conducted within the last six months and is determined to be negative and/or pose no significant risk to St. Joseph's Care Group and its clients.

For more information about St. Joseph's Care Group or our community, please visit the following websites www.sjcg.net

St. Joseph's Care Group is committed to providing high quality client-centred care by building a respectful and inclusive workforce that reflects the diverse population it serves. Individuals who speak a second language including French, Finnish, Italian, Ojibway, Cree, Oji-Cree, etc. are encouraged to apply.

Upon request, accommodations due to a disability are available throughout the selection process.

Applications from all qualified individuals are welcomed.

We thank you for your interest; however, only candidates selected for an interview will be contacted.
