The Health Care Ethics Service (HCES) provides a comprehensive ethics program on-site at St. Boniface Hospital as well as to other member organizations associated with the Catholic Health Corporation of Manitoba (CHCM). Clinical, organizational and research ethics consultation is available to patients/residents, families, health care professionals, students, administrative and governance personnel, other members of the CHCM and the general public. The HCES acts as a resource and support to various committees and working groups within CHCM in the areas of research and policy development and review. The HCES supports and enhances ethics teaching and education through the delivery of regular site rounds, grand rounds, the annual Health Care Ethics Seminar, presentations, regular participation in conference activities and by serving as a faculty to support ethics teaching and education in conjunction with the University of Manitoba.

Reporting to the Chief Medical Officer & Executive Director, Clinical Programs, while demonstrating a commitment to the Mission, Vision and Values of St. Boniface Hospital, the **CLINICAL ETHICIST** supports organizational capacity for sound ethical decision making by planning, developing, and implementing Ethics Services in five broad domains: ethics education; clinical and organizational ethics consultation; policy development and review; clinical/research ethics; and review of research involving human participants. The Clinical Ethicist consults on ethical issues arising in relationships between St. Boniface Hospital and other health/research entities, religious and academic organizations. The Clinical Ethicist provides leadership on ethical concerns by serving on appropriate internal and external committees.

Geographically located at St. Boniface Hospital, the Health Care Ethics Service also supports organizational capacity in ethics for the Communities of Service that are owned and operated by the Catholic Health Corporation of Manitoba (i.e. Actionmarguerite, Aulneau Renewal Centre, Centre de santé Saint-Boniface, Marymount, Sara Riel, St. Boniface Hospital, St. Joseph's Residence, St. Amant, Ste. Rose General Hospital, Winnipegosis & District Health Centre, Youville Centre).

**Qualifications:**

- A Doctoral degree in Bioethics/Clinical Ethics, Philosophy, or Moral Theology is preferred, however consideration will also be given to candidates with a Master's degree in a relevant area. Completion of Clinical Fellowship or its equivalent is required.
- A minimum of two to three years of work experience in Clinical Ethics is required including relevant teaching experience in a health care setting.
- Membership in the Canadian Bioethics Society and/or the American Society for Bioethics and the Humanities is an asset. A willingness to become a member of the Catholic Health Alliance of Canada Ethics Network is required.
- Demonstrated ability to work cooperatively with others.
- Demonstrated knowledge, skills and abilities related to alternate dispute resolution/mediation and negotiation.
- A high degree of understanding and sensitivity about ethical issues within Catholic sponsored healthcare settings, including a working knowledge of Catholic moral teaching.
- Demonstrated teaching competence.
- Demonstrated competence in verbal and written communication.

**A RESUME IS REQUIRED WHEN APPLYING FOR THIS POSITION**

This position is subject to a Criminal Record Check (valid within 6 months of issue). The successful candidate will be responsible for any service charges incurred.

Interested applicants may apply via the Winnipeg Health Region Careers website on or before **September 6, 2017**: [Click here to apply!](#)
