

Sponsored by Covenant Health (Alberta), Emmanuel Care (Saskatchewan) and Providence Health Care (Vancouver)

Foundations in Leadership for Catholic Organizations

A program enabling senior leaders, directors and managers in Catholic health organizations to effectively carry out their unique responsibilities as leaders.

In a gentle way
you can shake
the world.

—Gandhi

Goals

- Ensure the on-going development of Catholic health by mentoring leaders
- Understand the rich heritage of Catholic social teaching
- Enrich one's vocabulary to better articulate the Church's mission in health
- Expand one's ability to articulate the unique role of Catholic Health in a contemporary society
- Create a space for reflection that enables a person to better know one's self and one's call as a leader within a Catholic organization
- Provide a learning and living experience that is not available in other professional or academic programs for leaders in Catholic organizations

Program Components

Module One: The Roots of Catholic Health and Leadership – Edmonton AB

- Naming the issues for leaders in Catholic organizations
- The call to leadership
- Historical overview of ministry within the Church
