

WORLD DAY OF THE SICK, FEBRUARY 11, 2003

*I am with you
in your suffering*

Faithful God of the ages,
You are close to us
even when it does not feel like it.

Hear our prayers for those who are sick among
us, and for all those in need.

In their physical and mental suffering may they
find consolation in your healing presence.

Show your love to them as you heal wounds,
cure illness, and make broken bodies whole.

Free their hearts of sadness
and give them the courage to hope.

AMEN
